## Local Girl Recognised for Excellence in Business

Newcastle under Lyme based insurance professional, Jennie Squires, was given the ultimate accolade by her peers in the insurance industry last Friday when she received the “Young Achiever of the Year” award from the Insurance Institute of Stoke on Trent, the regional branch of the professional insurance body the Chartered Insurance Institute, (CII).

“I’m thrilled to receive this award. It has come from people who really know what insurance is all about.” Said Jennie, 27, who works at Silverdale based business insurance specialist JSW Insurance Services.

JSW Managing Director, Nathan Walton, said, “We feel privileged to have Jennie in our team. It is unusual for someone so young to show such commitment, drive and enthusiasm to progress a genuine career.”

The award judges will have taken into account Jennie’s high level of CII professional qualification, (Dip CII), and her rapid progress from trainee to becoming one of JSW’s top business insurance account managers, having been with JSW since it started in 2003.
